

Edipresse launches a CHF 100 millions public bond issues

Date : 13 November 2003
Emetteur : Edipresse Group

The Edipresse Group (SWX: EDI) has today launched a CHF 100 million public bond issue. The 7-year bonds have a coupon of 4.0% per annum and an issue price of 100.45%.

Co-lead managers are Banque Cantonale Vaudoise and Credit Suisse First Boston. Listing of the bonds on the main trading segment of the SWX Swiss Exchange will be requested.

The proceeds of the issue will be used in their entirety to pay down existing short-term bank debt.
