

# Revolution

Considered by the watch industry to be the best watch magazine in the world,

*Revolution* is dedicated to connecting the traditional values of high-end watch making with the vibrant consumer culture of today.

*Revolution* excels by combining in-depth, specialized information about high-end timepieces with the best in aesthetics and resources from lifestyle magazines.

1 title and already 8 editions covering the main watch markets worldwide: Hong Kong, Italy, Singapore, USA, Russia, Spain, China and Switzerland/France.

Launch of the French-speaking version on 25th September 2008 with a circulation of 35?000 copies.
